about us

At Cream we pride ourselves on the quality of our food, drinks, service and surroundings.

Our coffee is supplied by Brazier, based in Wellington, Somerset. They hand roast our feisty and full-bodied "Mill Town" blend, delivering weekly to ensure that your coffee is no more than 2 weeks from roaster to cup.

Here at Cream the majority of our menu is homemade however, we buy in only exceptional fresh ingredients to expand our delicious menu.

As a local business, we take pride in supporting our local producers of fine foods.

West Country Foods provide us with the very best quality fresh vegetables and the Riverside Butchers in Taunton supply all of our fresh meat.

We believe our food and drinks should taste fabulous, look beautiful and be created with imagination.

We truly appreciate you choosing to visit and, in return, we want your visit to be something special.
